### RACE READY

Now taking orders for 2012 Cobra Jet now available in factory colors. Race Red, Winner White, and Grabber Blue.

Only 50 units to be built in 2011. Turn-key NHRA legal and features exclusive Cobra Jet collectible feature content.

Order your M-FR500-CJ from a Ford dealer. A Ford Racing representative will follow up to confirm your options.

### PLUG AND PLAY

Start your Cobra Jet with one of our factory built Mustang Competition Rollers (M-FR500-CJROLLW).

Based on the Cobra Jet these rollers are serialized and complete minus power-train. The perfect way for the DIY racer to get on track quickly and easily.

Limited time availability!

Order Part number M-FR500-CJROLLW now!

### SOME ASSEMBLY REQUIRED

If you're building from a donor car or want to do everything from scratch start with a Mustang Competition Body-In-White.

Save hours of work by starting with a clean Mustang Competition Body-in-white (limited availability) for your Cobra Jet or other off-road race car.

All Cobra Jet unique components and engines are available through Ford Racing at [www.fordracingparts.com](http://www.fordracingparts.com).

**VISIT [fordracingparts.com/cobrajet](http://fordracingparts.com/cobrajet) for the 2012 Cobra Jet order guide, full retail list of Cobra Jet parts, and technical info to assist in Cobra Jet racing and construction.**

## DON'T LOSE YOUR CASH!

Ford Racing posted more contingencies in 2010 than any other vehicle or performance parts manufacturer, don't let your winnings get away!

Registration is required for 2011 Contingency Pay-outs. Be sure to register online at [fordracingparts.com/registration](http://fordracingparts.com/registration).

And while you're there check out all the new products from Ford Racing Performance Parts.

OFFICIAL VEHICLE OF NHRA

Get True Blue Ford Racing Performance Parts, the only performance parts good enough to wear the Ford oval!
