**SELECT FORD PERFORMANCE PARTS  
AND  
mountune® PERFORMANCE PARTS  
LIMITED WARRANTY  
Rev. August 1, 2017**

Ford Motor Company, The American Road, Dearborn, MI 48025, provides a Limited Warranty on select Ford Performance Parts and mountune® Performance Parts as described herein when installed on late model Ford vehicles. This warranty works in conjunction with -- and does not void -- the Manufacturer's New Vehicle Limited Warranty. It is valid for the original retail purchaser of the vehicle and is transferable to subsequent vehicle owners.

**Performance Packs and Component Parts**

Performance Packs and Components are warranted for factory-supplied material or workmanship when correctly and completely installed on a late model Ford vehicle by an authorized Ford or Lincoln Dealer, Shelby American, Inc., mountune LLC or an automotive service technician certified by the Institute for Automotive Service Excellence (ASE) or endorsed by the Red Seal Program (RSE). This Performance Packs and Components Limited Warranty begins upon installation and registration of the part(s) with Ford Performance and remains in effect for the balance of 36 months or 36,000 miles / 60,000 kilometres, whichever occurs first, *calculated from the start date of the manufacturer's New Vehicle Limited Warranty.*

**Installation of these select Ford Performance and mountune warranted performance packs and components by an authorized installer will NOT void your New Vehicle Limited Warranty.** Engine, driveline and suspension concerns not caused by the use of Ford Performance or mountune parts remain eligible for warranty coverage according to the terms of the New Vehicle Limited Warranty.

**Ford Performance and mountune parts are aftermarket parts.** The use of Ford Performance and mountune parts may impact the performance characteristics of other systems of the vehicle. Even when operating properly, Ford Performance and mountune parts, such as these, have the potential to adversely impact other systems of the vehicle. If an adverse impact is caused by a warranted Ford Performance or mountune performance pack or component, the period and coverage of this Ford Performance Limited Warranty applies to the repairs.

**Premium Fuel Requirement:** Customers who purchase power upgrade packs, cold air kits with calibration, engine calibrations, or superchargers are required to use 91-octane or higher ("premium") fuels at all times. Any failures associated with the non-use of premium fuel will be ineligible for warranty repair.

**Performance Handling Pack FR3/FR3A Note:** Performance handling packs are designed for "Track Day" ride and handling. Such performance standards suggest the vehicle ride will be more indicative of race performance vehicles. Certain vehicle conditions including, but not limited to, squeaks, rattles and harsh ride related to use of a Performance Handling Pack or components will not be covered under this Limited Warranty. The performance handling pack requires the use of original equipment size wheels only. It is strongly recommended after installation that the alignment be checked to ensure measurements are within factory specifications. Premature tire degradation will not be covered under this Limited Warranty. Contact the **Ford Performance Call Center at (800) 367-3788 or [fwrnty@ford.com](mailto:fwrnty@ford.com)** for front end alignment information.

**Warranty Registration:** This Limited Warranty requires that parts must be purchased from an authorized Ford Performance Distributor and installed by an authorized Ford or Lincoln Dealer, Shelby American, Inc., mountune LLC or an automotive service technician certified by the Institute for Automotive Service Excellence (ASE) or endorsed by the Red Seal Program (RSE). Proof of purchase is required for submission of warranty claims. Registration for this warranty must be submitted through the **Ford Performance Call Center at (800) 367-3788 or [fwrnty@ford.com](mailto:fwrnty@ford.com)** with the vehicle identification number (VIN), part installation repair order and date, Ford Performance part number, and owner contact information.
